

Newsletter Edition 14

Hello Everyone

It is the end of another term and I am not sure if this is true for everyone, but for me, the days just seem to be flying past. Perhaps it is because I am old as one of the children pointed out. We had a very successful Weekend Retreat and lots of fun was had at our new venue **"Moonah Links"**. The atmosphere was great, the rooms were lovely, clean and warm. The ladies enjoyed the range of workshops. More news on 2012 Retreat in the next newsletter. Visit the website for a look at the photos of fun, laughter and some work had this year.

The shop will be closed for a week during the break to do a little revamping. It should look good when you return for the last term. Closed from Saturday 1st October 2011 and will reopen on 8th October 2011
